

PressDate® Service

Save time. Get the job.

Billerud PressDate Service quick-turn
custom cut sheets, fast.

PressDate Service is available for select program business,
please contact your Billerud Sales Representative for
inclusion in the program.

Print the products you love. More efficiently.

Quote the last minute job and get exceptional turnaround time using PressDate Service from Billerud. Order custom-cut sizes of the products you love, faster than ever packed on pressroom efficient, press ready skids and mini skids.

Order the size you need. Get the job.

SITUATION

- Job requires a non-stocked size, needed quickly
- Press or converter requirements dictate a custom size
- A stocked size or typical converting timing doesn't work

PRESSDATE SERVICE PROVIDES QUICK TURNAROUND ON CERTAIN SIZES THAT FIT THE JOB

- Billerud manages converting and delivery to fit your needs
- Priority commitment to program business – open to spot quote pending availability
- Billerud has refreshed the PressDate program that provides quick turn availability of custom sizes in addition to next-day delivery of stock sizes
