BILLERUD

COATED WHITE KRAFT LINER

Tribute® Base

SHELF IMPACT MEETS PRESSROOM EFFICIENCY.

Tribute Base combines a bright white coated surface with the performance needed for today's packaging market. Designed for vibrant graphics, crisp text, and consistent print quality, this coated white liner helps brands stand out while supporting efficient production. Made in America and backed by global expertise, Tribute Base delivers the service, availability, and partnership independent converters can count on, with a collaborative approach focused on helping them succeed.

FEATURES:

- Print and Converting Performance
  - Preferred inkjet print surface compared to uncoated white-top liners
  - Excellent ink holdout for crisp typography, vibrant colors, and sharp image reproduction
  - Proven runnability on inkjet presses for improved pressroom efficiency
  - High brightness and opacity for vibrant graphics and strong shelf impact
- Versatile
  - A broad offering of liner options with desired surface and brightness properties for distinctive and strong brand packaging for optimal shelf-ready appeal and durability
- FDA Compliance
  - The product is in compliance with FDA regarding food contact applications, for restriction and limitations ask your salesperson.
- Responsible Fiber Sourcing
  - Chain-of-custody certifications offered: FSC® C014984, SFI,® PEFC/29-31-92 based on availability
- Manufactured in the USA with Pride
  - Purchase Tribute Base and put Americans to work
  - Proven quality and performance, manufactured in the U.S., and backed by our guarantee of full customer and technical support from start to finish
