

Tribute®

FOR PACKAGING THAT SHOUTS FROM THE SHELF.

Billerud's Tribute family of packaging papers combines excellent printability with clean, consistent folding for a high-quality brand impression. Tribute's beautiful white print surface shouts from the shelf to break through the noise. Made in America, backed by global expertise—we're a collaborator, not a competitor, for independent converters.

FEATURES:

- Print and Converting Performance
 - White printing surface for optimal brand messaging
 - Designed for runnability and folding performance
 - Tribute print surface built on years of coating expertise
 - Tribute Base print surface is superior to uncoated white top liners
- Versatile
 - Coated one-side and lightly coated liner with desired surface and brightness properties for distinctive and strong brand packaging for optimal shelf-ready appeal and durability
- Responsible Fiber Sourcing
 - Chain-of-custody certifications offered: FSC® C014984, SFI® PEFC/29-31-92 based on availability
- Manufactured in the USA with Pride
 - Billerud NA is uniquely positioned to provide a domestic, source of supply of coated and lightly coated liners
 - Flexible, collaborative and innovative spirit to find new solutions for your brand
 - Purchase Tribute and put Americans to work
 - Proven quality and performance, manufactured in the U.S., and backed by our guarantee of full customer and technical support from start to finish

APPLICATIONS:

- Food and beverage packaging
- Consumer durables
- Retail ready packaging
- Point-of-purchase displays

PRINTING PROCESSES*:

- Offset
