BillerudKorsnäs launches IR app for greater availability

BillerudKorsnäs today launches an Investor Relations app for iPad / Android (and iPhone) which aims to make BillerudKorsnäs' financial communication more accessible and user friendly for investors, analysts and shareholders. The app includes BillerudKorsnäs' share price graph, reports, annual reports, IR presentations and press releases.

The IR app can be downloaded for free from App Store/Play Store. You find it by typing "BillerudKorsnäs IR".
